

Brian,

Andy Smith asked that I email the attached SDS to you. The SDS are for the chemicals that were destroyed in the fire. Please let me know if you have any questions. I will send another email with more files (most companies cannot accept zip files).

Thanks,

Matt Nelson

Chemist

PRIVILEGE AND CONFIDENTIALITY NOTICE: The information in this e-mail communication and any attached documents may be privileged, confidential or otherwise protected from disclosure and is intended only for the use of the designated recipient(s). If the reader is neither the intended recipient nor an employee or agent thereof who is responsible for delivering it to the intended recipient, you are hereby notified that any review, dissemination, distribution, copying or other use of this communication is strictly prohibited. If you have received this communication in error, please immediately notify us by return e-mail and promptly delete the original electronic e-mail communication and any attached documentation. Receipt by anyone other than the intended recipient is not a waiver of any confidentiality provision, contractual right, attorney-client or work-product privilege. Any incoming reply to this communication or other communication to us will be electronically filtered for spam and/or viruses. That filtering process may result in your reply or other e-mail communications being quarantined and potentially not received at our site at all, or delayed in reaching us. For that reason, we cannot guarantee that we will receive or review your reply or other e-mail communications or that we will receive the same in a timely manner.

Warning: All email sent to or from this address will be received by the corporate email system of Miller Chemical & Fertilizer and is subject to archival retention and review by someone other than the recipient.
